10th of April 2025

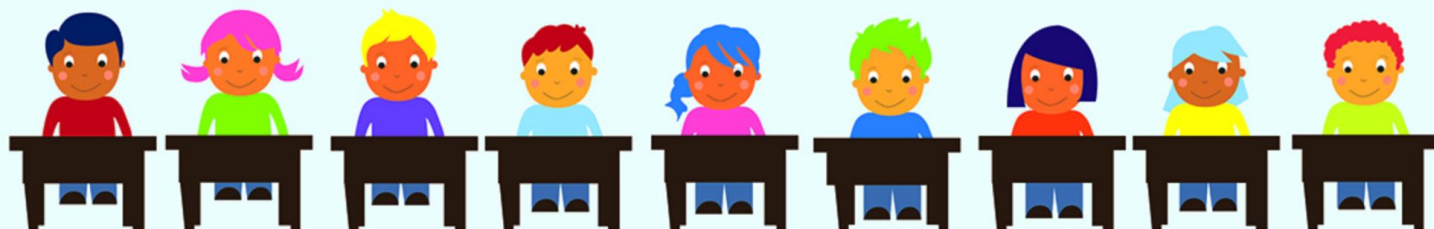

Dear Whānau,

Term 1 is done and dusted—and what an absolutely fabulous nine weeks it has been! Our kids are buzzing with pride from all they've achieved, and our staff are smiling after a term full of learning, laughter, and growth.

It's fair to say we're all looking forward to a bit of down time. If you're heading away for the break, travel safely. Most importantly, enjoy some quality whānau time and help recharge those batteries (especially the kids' ones!).

We'll see you all back, refreshed and ready for an exciting Term 2!

Best wishes,
Phillipus and team
